

TSB3.0 PRODUCT SPECIFICATIONS

NOMINAL IMPEDANCE	8Ω
SENSITIVITY dB @ 2.83V/1M	90 dB
FREQUENCY RESPONSE	65 Hz - 20 kHz
RECOMMENDED POWER	15 - 100 Watts Per Channel
TWEETER	(3) .75" (19.1 mm) Silk/Synthetic Soft Dome
WOOFER	(6) 3" (76.2 mm) Ultra-Long Throw Polypropylene w/ NBR Surround
ADDITIONAL DRIVERS	(2) 1" (25.4 mm) Adonized Aluminum Spatial Field Expanders
ENCLOSURE MATERIAL	Black Extruded Aluminum
ENCLOSURE TYPE	Passive Radiator
INPUTS	(3) Euroblock Connector
GRILLE	Pressure Fit Powder-Coated Black Aluminum
COLOR OPTIONS	Brushed Black Aluminum
DIMENSIONS	6.75" (171.5 mm) H x 43" (1092.2 mm) W x 1.5" (38.1 mm) D
WEIGHT	15 lbs
SHIPPING WEIGHT	20 lbs
INCLUDED ACCESSORIES	Horizontal Stand, Wall Mount
OPTIONAL ACCESSORIES	N/A
REGULATORY - CE	Approved
RoHS	Approved

Description

The Teatro® TSB3.0 is designed with precision drivers, Enhanced Voice Technology (EVT) circuitry and Spatial Field Expanders™. EVT is controlled through a switch and enhances frequencies associated with human speech intelligibility without changing the rest of the sound image. Spatial Field Expanders are side-mounted and create a wide and enveloping soundstage.

The TSB3.0 is an ultra-thin soundbar, measuring only 1.5" (38.1 mm) where the top of the bar meets the television and a total depth of 2.5" (63.5 mm).

Features

- Three .75 inch (19.1 mm) silk/synthetic soft dome tweeters
- Six 3 inch (76.2 mm) ultra-long throw polypropylene woofers with butyl rubber surrounds
- Two 1" (25.4 mm) adonized aluminum Spatial Field Expanders mounted on the sides to widen the soundstage
- Enhance Voice Technology switch boosts frequencies associated with human speech
- Absolute Phase® Crossover networks ensure that the speaker drivers are acoustically and electronically "in phase" and moving in unison
- A depth of only 1.5" (38.1 mm)
- Included Accessories: horizontal stand, wall mount

Applications

A pair of TSB3.0 units consumes minimal wall space while bringing superior audio for home theater applications.

For optimal sound, use PhaseTech's P3-35 3-Channel Amplifier with a pair of TSB3.0s.

Warranty Information

The TSB3.0 comes with a limited ten (10) year warranty. Products not sold through an authorized dealer/distributor will not be supported by the factory warranty. Warranties are non-transferable.
